**Filling in the form guidelines**

If you have a communication difficulty such as dyslexia, please make us aware of this.

***Pointing system***

In order to reach the shortlist, an applicant must meet ALL of the essential criteria in the Person Specification. Each essential criterion carries points of 0 to 3. Each desirable criterion carries points of 0 to 1. If an applicant points zero on any of the essential criteria, they will not be considered for the shortlist, even if the applicant pointed highly

elsewhere. Applicants who are short-listed generally point between 2 & 3 on each essential criterion. Applicants do not need to score on the desirable criteria to be short-listed.

To score between 2 & 3, an applicant must outline their experience / ability and then *demonstrate*.

For example, a question in the application form asks about applicant's organisational skills. An applicant may state that in all their jobs they have been required to have good organisational skills (*Outlining experience*). Demonstrate this by telling us how you developed them, for example, '*through work where I was required to...*' or '*through training / voluntary work / education, it was essential to...*'

It is essential when answering Question 3 that you ensure you address each of the stipulated essential criterion. The easiest way to ensure this is to use the headings and numberings as follows:

**For example, (N.B. please use criterion on the person specification relating to the role you are applying for, not examples below)**

1. Experience of working with women (and children) with differing social and emotional needs.

*Answer*

2. An awareness and an understanding of the differing experiences of different cultural and social backgrounds.

*Answer*

3. An understanding/experience of the causes and the long term effects of domestic abuse.

*Answer*

This advice may seem a bit basic but it is surprising how often applicants can focus on certain essential criteria and fall short on others. We want all applicants to have the best possible opportunity to highlight the required experience and skills to work effectively within this post.

## **SWANSEA WOMEN'S AID - PHILOSOPHY**

### **Women only**

Swansea Women's Aid is part of the wider Women's Aid movement, run by women for women. We believe that in order to develop confidence and self-esteem, women need 'space' to identify their strength and weaknesses away from male influence. Sexism serves not only to systematically undermine and abuse women but also to divide women and alienate them from each other. We feel that the 'space' that Women's Aid provides for women allows them to define themselves according to their own needs and not according to the attitudes of society.

### **Admissions**

Refuge and Safe House space is there for all women who are experiencing domestic violence and are afraid to live in their own homes. We do not discriminate against any woman on grounds of race, religion, sexual orientation or disability. If our Refuge or Safe Houses in Swansea are full, we will contact other groups throughout Wales until Refuge space is found.

### **Self Help**

It is essential to our work to provide a place of safety where women can determine their

own future. Women staying in the Refuge are responsible for the day to day running of the house. We believe that it is crucial that women are given the space to rebuild their confidence so that they can resume responsibility for their lives in an atmosphere of mutual respect and co-operation. Women's Aid supports women in this development at whatever stage individual women are at any time.
