Filling in the form guidelines

If you have a communication difficulty such as dyslexia, please make us aware of this.

Pointing system

In order to reach the shortlist, an applicant must meet ALL of the essential criteria in the Person Specification. Each essential criterion carries points of 0 to 3. Each desirable criterion carries points of 0 to 1. If an applicant points zero on any of the essential criteria, they will not be considered for the shortlist, even if the applicant pointed highly elsewhere. Applicants who are short-listed generally point between 2 & 3 on each essential criterion. Applicants do not need to score on the desirable criteria to be short-listed.

To score between 2 & 3, an applicant must outline their experience / ability and then *demonstrate*.

For example, a question in the application form asks about applicant's organisational skills. An applicant may state that in all their jobs they have been required to have good organisational skills (*Outlining experience*). Demonstrate this by telling us how you developed them, for example, *'through work where I was required to...'* or, *'through training / voluntary work / education, it was essential to...'*

It is essential when answering Question 3 that you ensure you address each of the stipulated essential criterion. The easiest way to ensure this is to use the headings and numberings as follows:

For example, (N.B. please use criterion on the person specification relating to the role you are applying for, not examples below)

1. Experience of working with women (and children) with differing social and emotional needs.
Answer

2. An awareness and an understanding of the differing experiences of different cultural and social backgrounds.
Answer

3. An understanding/experience of the causes and the long term effects of domestic abuse.
Answer

This advice may seem a bit basic but it is surprising how often applicants can focus on certain essential criteria and fall short on others. We want all applicants to have the best possible opportunity to highlight the required experience and skills to work effectively within this post.

SWANSEA WOMEN'S AID - PHILOSOPHY

Women only

Swansea Women's Aid is part of the wider Women's Aid movement, run by women for women. We believe that in order to develop confidence and self-esteem, women need 'space' to identify their strength and weaknesses away from male influence. Sexism serves not only to systematically undermine and abuse women but also to divide women and alienate them from each other. We feel that the 'space' that Women's Aid provides for women allows them to define themselves according to their own needs and not according to the attitudes of society.

Admissions

Refuge and Safe House space is there for all women who are experiencing domestic violence and are afraid to live in their own homes. We do not discriminate against any woman on grounds of race, religion, sexual orientation or disability. If our Refuge or Safe Houses in Swansea are full, we will contact other groups throughout Wales until Refuge space is found.

Self Help

It is essential to our work to provide a place of safety where women can determine their own future. Women staying in the Refuge are responsible for the day to day running of the house. We believe that it is crucial that women are given the space to rebuild their confidence so that they can resume responsibility for their lives in an atmosphere of mutual respect and co-operation. Women's Aid supports women in this development at whatever stage individual women are at any time.

DAISE Family Support Project Information **(DAISE - Domestic Abuse Information, Support and Empowerment)**

Swansea Women's Aid (SWA) DAISE Family Support Project supports women and children who are experiencing or have previously experienced domestic abuse. The workers have specialist knowledge of issues relating to domestic abuse and how it can affect the lives of women and children. SWA Community VAWDASV Specialists are able to provide confidential emotional and/or practical support on an ad hoc or ongoing basis. Women can access the DAISE project through self-referral or referral by an external agency via our helpline (01792 644683).

Staff Team

The project team will consist of a Community Services Manager, 5 Community VAWDASV Specialists (adults), 2 Community VAWDASV Specialists (CYP/Families) and a Play & Activities worker (CYP/Families).

What to expect from the DAISE Family Support Project:

- ❖ We will provide women and children with a safe environment to meet with a support worker and maintain confidentiality.
- ❖ We will respect and safeguard women's rights and help them to be independent and have maximum control over their life.
- ❖ We will provide women with the support and information they need to make informed decisions about their safety and wellbeing.
- ❖ We will work alongside women to identify their key areas of need and set realistic objectives.
- ❖ We will provide sign-posting and referral to other projects/organisations where appropriate with consent.
- ❖ We will provide access to supplementary services such as The Freedom Programme, The Recovery Toolkit, Counselling, Homeopathy and Massage/Reflexology Therapy (subject to availability and waiting list).

Appointments:

Appointments are held at the SWA central office, the Swansea's Domestic Abuse One Stop Shop, within community settings or via telephone.

- ❖ Each session lasts approximately 45 minutes.

Drop-In Service:

We recognise that women may need to be seen in a crisis and therefore cannot wait for a set appointment. Our drop in service operates from Swansea Domestic Abuse One Stop Shop, 2.5 days a week.

Freedom Programme & Recovery Toolkit Programme:

The DAISE project currently runs two programmes that focus on raising awareness of domestic abuse and women's experiences, delivered through group work facilitated by DAISE workers. Women are invited to meet in a confidential group to explore their experiences and learn about the different tactics of power and control used in an abusive relationship. Women are given resources to rebuild their confidence and strategies for coping and recovering from the harmful effects of domestic abuse.

Home Visits and Telephone Support:

SWA recognises that some women may have certain issues that prevent them from accessing the service. A home visit can be offered to women with a disability, severe mental health issue or childcare issue that prevent them from being able to leave their home. The DAISE project can also arrange telephone support should a home visit not be possible and will work to address any barriers that prevent women from accessing the service.

CYP & Family Support:

The project will work with children and young people aged 5 – 18 years who have experience of domestic abuse – past or present.

The project will be delivered across the City and County of Swansea. The support available will comprise 7 key elements:

1. Age appropriate STAR programmes, delivered at SWA premises or in community venues
2. 1:1 support, provided at a time and venue chosen by the child or young person (e.g. at school, at home or in a community venue)
3. 1:1 bespoke 'whole family' support.
4. Informal advocacy where required to ensure children's rights to access other services (such as health and education) are being met

5. Rolling age appropriate play and activities programmes shaped by children and young people using the service
6. Parenting support, through 1:1 contact or group workshops
7. Specialist support for young people using abusive behaviour in their own relationships.

Co-Production:

Co-produced and delivered wrap around services will be provided by our survivor co-producer volunteers, initially using community venues and online provision and eventually from our dedicated Co-production Centre.
